### ARTICLE 3 MISCELLANEOUS

Section 3.1 Assignment Subject to Purchase Agreement. This Assignment is given pursuant to the terms of the unrecorded Purchase Agreement, which is fully incorporated herein for all purposes, and this Assignment is specifically made subject to the terms, conditions and covenants contained therein. In the event of a conflict between any of the provisions of this Assignment and any provision of the Purchase Agreement, the applicable provision of the Purchase Agreement shall control to the extent of such conflict; provided, however, that Third Parties may conclusively rely on this Assignment to vest title to the Assets in Assignee. By executing, delivering and accepting this Assignment, Assignors and Assignee do not intend to cause a merger of the terms of the Purchase Agreement into this Assignment and all covenants, indemnities and other terms and provisions set forth in the Purchase Agreement shall remain in full force and effect on and after the date hereof to the extent set forth in the Purchase Agreement. Assignee hereby assumes and agrees to fulfill, perform, pay and discharge (or cause to be timely fulfilled, performed, paid or discharged) all of the Assumed Purchaser Obligations, subject to this Section 3.1 and such unrecorded Purchase Agreement.

Section 3.2 Further Assurances. Assignors and Assignee agree to take such further actions and to execute, acknowledge and deliver all such further documents as are reasonably requested by another Party for carrying out the purposes of this Assignment and the Purchase Agreement.

Section 3.3 Successors and Assigns. This Assignment shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns.

Section 3.4 Governing Law. THIS ASSIGNMENT AND THE LEGAL RELATIONS BETWEEN THE PARTIES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW WHICH WOULD PERMIT OR REQUIRE THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION. ANY CLAIM, COUNTERCLAIM, DEMAND, CAUSE OF ACTION, DISPUTE, OR ANY OTHER CONTROVERSY ARISING OUT OF OR RELATING IN ANY WAY TO THIS ASSIGNMENT OR TO THE SUBJECT MATTER OF THIS ASSIGNMENT OR TO ANY RELATIONSHIP CREATED HEREBY SHALL BE RESOLVED PURSUANT TO SECTION 12.3 OF THE PURCHASE AGREEMENT.

Section 3.5 Severability. The invalidity or unenforceability of any term or provision of this Assignment in any situation or jurisdiction shall not affect the validity or enforceability of the other terms or provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction, and the remaining terms and provisions shall remain in full force and effect unless doing so would result in an interpretation of this Assignment that is manifestly unjust.

Section 3.6 Counterparts. This Assignment may be executed in counterparts, each of which shall be deemed an original instrument, but all such counterparts together shall constitute but one agreement. No Party shall be bound until such time as all of the Parties have executed counterparts of this Assignment.

Section 3.7 Recording. To facilitate recordation or filing of this Assignment, each counterpart filed with a county or state agency or office may contain only those portions of the Exhibits to this Assignment that describe property in that county or under the jurisdiction of that agency or office. Complete copies of this Assignment containing the entire Exhibits have been retained by Assignors and Assignee.

Section 3.8 Interpretation. The provisions of Section 1.2 of the Purchase Agreement shall apply *mutatis mutandis* to this Assignment.
